> Mrs Perley exhibited an ewer vase with double creamy and pink roses, which were so true to nature that that the artist must have treasured their memory in her beart to have duplicated them so perfectly. Her tray, in figures of Gypsy lortune tellers, in German colors, burnished gold being freely used, was one of the most delightfully realistic scenes ever depicted, and had the air of artistic merit indefinably stamped upon it. A doulton nut bowl which rested upon a bevelled glass, was painted in Frenchy blues, delicate pinks and empha-sized in Roman golds, was decidedly fetch-ing in its unique shape and one of the most expussite conceptions. A tray, the study. exquisite conceptions. A tray, the study, representing a kennel of pups, was nature's own reproduction and elicited the most flattering comments. These, together with innumerable plates, bon-bon boxes, vases, rose jars, after dinner coffee cups, etc., comprised one of the largest collections boxes, and supressingly beautiful in detail.

AND MOST ECONOMICAL,

Is that of Dr. Price's Cream Baking Powder. It is prepared with greater care and accuracy, from finer and more expensive materials, competent chemists test every ingredient nothing is left to chance. No ammonia, alum or other adulterant taints this purest of human food products. Dr. Price's Cream Baking Powder is the embodiment of all the excellence that it is possible to attain. It is always uniform and reliable and retains its full strength until used, It is not only more economical because of its wonderful raising power, but by reason of its greater bulk, the cans being much larger than the ordinary kind; it will go farther and do better work. It never disappoints. Dr. Prices is the only baking powder that contains the whites of eggs.

DINWOODEY'S.

IT IS CERTAINLY A CREDIT TO SALT LAKE CITY

And a proof of its advancement to the dignity of a metropolis that it has a Furniture, Carpet and Wall Paper House that in its retail department offers for your inspection a stock that embraces absolutely everything that is necessary to furnish a home elegantly, in simple, quiet taste, or with only the necessaries.

And that this same house controls the wholesale trade of the entire Ter-

ritory and a greatt part of that of the surrounding States and Territories.
